

CWA @ Envoy: Ways to Get Involved

The strength of our union comes from our unity and participation. Now that we won the election, we need to build a strong organization at every Envoy location. **You** can play a part by signing up for one of the activities below. We're stronger together!

Name: _____ Cell #: _____

Station: _____ Employee # _____ Date: _____

I'm interested in being a:

- 1. **Mobilization Committee Member** – helps organize actions and communicates with co-workers about contract negotiations; makes sure the bargaining team is kept informed about local issues; works on projects like the “fight for \$15” campaign to raise the minimum wage.
- 2. **Local Steward** – responsible for helping co-workers with grievances (discipline, contract violations), meets with local managers to discuss group concerns.
- 3. **Education and Organizing Committee Member** – helps new hires learn about the union & join; reaching out to agents at non-union companies (airlines and contractors) about the need to organize so that workers are treated fairly across the industry
- 4. **Health and Safety Committee** – monitors Envoy procedures, equipment and training to ensure agents are able to work safely and avoid injury
